

8 Mile 7:30am

Participants can go directly to the starting line at Green Valley - the boat ramp next to the beach. OR you can meet at the finish line in McKinley Park and ride a bus out to the start line so your vehicle is at the finish line. The bus will leave right at 6:50am - we cannot wait for latecomers.

Once the race starts, you will go through the campgrounds, all the way around it and get back on the trail, stay on the trail around the east side of Green Valley Lake, exit the trail and go right through a small grass trail and then right again and go over the dam, then head left to get back on the trail. Next you will go left on a small stretch of gravel and then right again to reconnect with the trail.

Follow the trail all the way to Townline, then turn right. Next left is on Country Club Drive, head south down to the gazebo and then left onto Prairie St, with a right heading south on the trail again. Cross Adams St. heading straight into McKinley Park all the way to the finish! Post Race Celebration and Awards will follow!
